

Storehub.io Integrated eCommerce & B2B

Integrate IQ Retail and your WooCommerce, Shopify, Takealot or B2B wholesale store.

Selling online can pose many challenges for merchants, with management of stock, price and manually capturing orders. Storehub.io syncs data between IQ Retail and your online sales platform/s seamlessly, ensuring accurate data and automation across all online sales channels. WooCommerce, Shopify, Takealot and B2B Wholesale commerce easily integrated with IQ Retail using Storehub.io.

- Price, stock and orders sync in minutes with IQ Retail
- B2B platform for wholesale account-customer ordering (custom pricing, sales reps and multi-warehousing, restricted products, and lots more)
- Franchise-friendly multi-store capability
- Display stock availability from multiple locations on one eCommerce store
- Orders automatically raise back into IQ Retail as a Quote, Sales Order or Invoice, depending on payment method of customer

Features & Benefits

- Syncs to WooCommerce, Shopify & Takealot 'out of the box'
- Never sell an out-of-stock item, or at the incorrect price
- Same-day installation
- Direct-to-consumer and B2B store capability
- Eliminate manual order capturing
- Automate price and stock updates
- Sales rep tools for live data visibility on the go

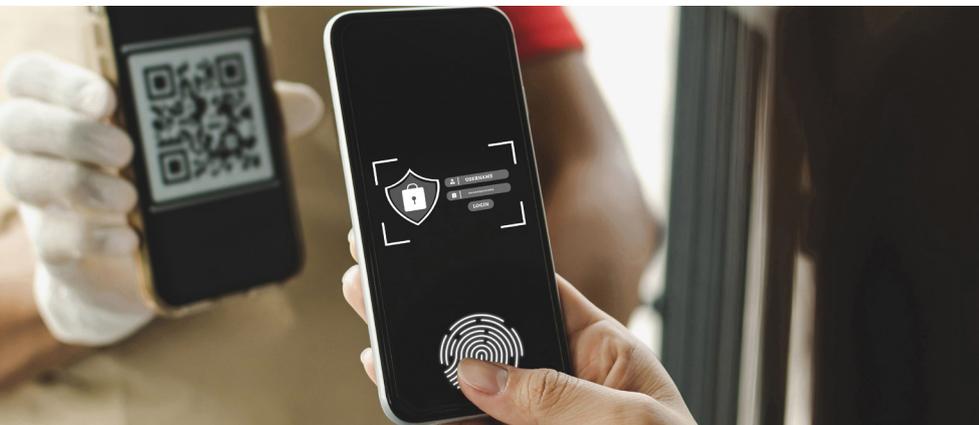

Storehub.io eCommerce Datasheet

- **Easy to integrate** – Sync up with IQ Retail in minutes. The Storehub.io API connects without any custom coding, transacting in minutes.
- **Free trial & setup** – Get a 30-day free trial, and free setup service. Training included.
- **Regular updates** – Stock, price, and orders update every 2 minutes to and from IQ Retail.
- Save many hours in manual data updates, and hand-capturing orders.
- **Great for Franchises** – Sync with multiple eCommerce stores from the IQ Retail ERP, and manage from a single dashboard. Display all available stock online from multiple locations.
- **Fully automated** – Save many hours in manual data updates, and hand-capturing orders.
- **B2B Commerce** – Sell to wholesale customers via a unique login, with complex pricing, multi-warehousing, sales reps and so much more, all from IQ Retail data.
